# Tips to help you complete this form

**Print all information clearly.** Errors can take up valuable time.

**Complete the *Personal information* section completely and carefully.** The application cannot be processed without it.

For Corporate accounts, a corporate resolution which specifies authorized signatories and a business number (BN) are required in order to properly set up an account.

For Formal Trust accounts, a trust agreement which indicates authorized trustees and a trust number (TN) are required in order to properly set up an account.

**Attach all required documents** to Fidelity's copy, including cheques.

**When completing the *Investment selection* section,**

- Find the fund code at [fidelity.ca](http://fidelity.ca)
- Abbreviate the fund name, eliminating the words "Fidelity" and "Fund." For example, to choose the Fidelity Canadian Growth Company Fund, simply print "Canadian Growth Company" or "Cdn Growth Co." We use this name to verify the code you have written. If there is a discrepancy between the Fund Code and the Fund Name indicated, we will assume the Fund Code is correct.
- Check one box to show whether you are using dollar amounts or percentages.
- Indicate how you would like your distributions. For non-registered accounts, you may choose to have distributions reinvested or directly deposited to your bank account. If you choose direct deposit, you will need to attach a personalized void cheque to the application form. Please note that for Tax-Smart CashFlow series and/or a series of a fund that pays monthly distributions at a fixed rate, the default distribution option will be cash unless otherwise indicated.
- **To apply for a PAC plan,** complete the sections called *Systematic Purchases (PAC)* and *Banking information*.

**Fidelity EFT Policy in regards to SWPs:** To help protect our investors, Fidelity Investments requires **one** of the following:

- A copy of a personalized void cheque with corporate or entity name and banking information pre-printed/embossed on the cheque. *Counter cheques will not be accepted.*
- A letter from a recognized Canadian Bank or Credit Union issued on an official bank form or letterhead, with corporate or entity name and bank account details. Bank stamp and signature must be provided if indicated on the bank form or letterhead.
- An Online Bank Form, with or without void cheque image, with corporate or entity name and bank account details. Bank stamp and signature must be provided if indicated on the Online Bank Form.

**Note:** SWP payments can only be made payable to the corporate or entity name on the Fidelity account.

**The investor needs to sign the form.** The investor's signature in the section called *Your signature* applies to all information provided on the form, including the PAC agreement in the section called *Systematic Purchases (PAC)*.

**Why is Fidelity asking you whether you are a U.S. citizen, U.S. tax resident, or tax resident of any other country outside of Canada?**

The *Income Tax Act (Canada)* (the "ITA"), requires Canadian financial institutions like Fidelity to collect and report information to the Canada Revenue Agency (CRA) about U.S. citizens (regardless of where they live) and tax residents of a country other than Canada who hold non-registered accounts. As a result, we must ask you these questions at the time of account opening, and ask you to inform your financial advisor and Fidelity if there is a change in your circumstances that causes you to become a U.S. citizen or a tax resident of a country other than Canada. We must also ask U.S. citizens and tax residents of a country other than Canada to provide their Taxpayer Identification Number (TIN) for all their tax residency jurisdictions.

If a reportable individual or entity fails to provide its TIN, the CRA could assess a penalty of up to \$500 under the ITA. However, if the individual or entity makes an application for the assignment of a TIN within 90 days and provides the TIN to Fidelity within 15 days of receipt, or the foreign jurisdiction does not issue a TIN, the CRA will not assess penalties.

1. Form RC519 may be used for a non-registered account for an entity such as corporation, partnership, formal trust, or any other organization.
