What you understand and agree to when you sign this application

In this application, "you", "your", and "planholder" mean the owner of the contract. "Sun Life", "we", "us" and "our" mean Sun Life Assurance Company of Canada.

Sign the **Acknowledgement/authorization** section of this application to confirm you understand the following:

Beneficiary designation – The following information applies to beneficiary designations made using this application form.

You can appoint a beneficiary(ies). If a Power of attorney (POA) is signing the application on behalf of the owner, they are only permitted to name the owner's estate as beneficiary.

If a beneficiary dies before the death of the last surviving planholder, that beneficiary's share of the death benefit will be payable to the contingent beneficiary(ies) named for that share, who survive the last surviving planholder. If there is no contingent beneficiary who has survived that last surviving planholder, the beneficiary's share is payable to the estate of the last surviving planholder.

For contracts governed by Quebec legislation, these provisions apply whether or not the shares of beneficiaries of any class are equal or unequal.

In all provinces other than Quebec,

- you can change your beneficiary(ies) without their consent unless you indicate that the designation is irrevocable.
- if you designate minor children as beneficiaries, you should also name a trustee to receive funds on their behalf.

In Quebec,

- if you name your legal spouse (married or civil union) as the beneficiary, this designation will be irrevocable unless you check the "Revocable" box in the **Beneficiary designation** section.
- if you name someone other than your legal spouse (married or civil union) as the beneficiary, you can change your beneficiary(ies) without their consent unless you indicate that the designation is irrevocable.
- any amount payable to a minor beneficiary will be paid to the parent(s) or legal guardian.

Pre-authorized chequing plans (PAC) terms and conditions (Pre-authorized chequing plans (PAC) means Pre-authorized debit (PAD) under Payments Canada rules.)

All PAC payor(s) agree:

- to authorize Sun Life to debit the bank account provided for the amount(s) and in the frequencies instructed in this application,
- **to waive all pre-notification and confirmation requirements as specified within Payments Canada rules with respect to pre-authorized chequing plans (PAC),**
- if the PAC agreement is for personal purposes, their debit will be considered a Personal Pre-authorized Debit (PAD), as defined by Payments Canada. If it is for business purposes, it will be considered a Business PAD,
- for a recurring (set interval) PAC, the withdrawal amount is considered variable under Payment Canada rules and the authority of the payor(s) is to remain in effect until Sun Life has received notification from them of any change or termination,
- for a one-time debit, the PAC agreement will automatically terminate once the payment has been fulfilled. Any subsequent one-time debit request(s) require the payor(s) to enter into a new PAC agreement,
- the payor(s) may change their instructions or cancel the PAC agreement at any time, provided that Sun Life is notified at least 3 business days prior to the next PAC run date by phone or mail. To obtain a sample cancellation form, or for more information regarding the right to cancel a PAC agreement, payor(s) may contact their financial institution, Sun Life or visit www.payments.ca,
- payor(s) have certain recourse rights if a debit does not comply with the PAC agreement. For example, they have the right to receive reimbursement for any debit that is not authorized or is not consistent with the PAC agreement. To obtain more information on recourse rights, payor(s) may contact their financial institution, Sun Life or visit www.payments.ca,
- payor(s) are fully liable for any charges incurred if the debits cannot be made due to insufficient funds or any other reason for which the payor(s) may be held accountable,
- Sun Life may charge a fee and may cancel the PAC for any withdrawal that is not honoured,
- any notices to the payor(s) may be sent to the planholder's most recent address that Sun Life has on record at the time the notice is sent,
- Sun Life may not assign this authorization to another company or person to permit them to debit the payor(s) account for these payments without providing at least 10 days' prior notice to the payor(s), and
- all persons whose signatures are required to authorize transactions in the bank account provided have read and agreed to these terms and conditions and have signed this application.

Scheduled withdrawal plan (SWP)

- you may request withdrawals on a scheduled or unscheduled basis, depending on the registration type of the contract. Withdrawals will reduce the maturity and death benefit guarantees.
- if you request scheduled withdrawals from Income Series or Sun Lifetime Advantage GIF, and have not previously elected income, we will deem your request an automatic election of lifetime guaranteed income.
